## 3 Discussion

- Review Process  
The review of the review process is now closing. Comments are collected. There are still a few concerns related to reviews based on Github as proposed in the plan. A follow-up meeting is planned for May 21st.
  - QA-Plan  
The backlog is in work in order to plan remaining tasks. In the plan also the need for active co-operation of members from other workpackages is documented.
