3 Discussion

- Strategy meeting
Strategy meeting was held in Braunschweig with the local partners participating.
- Weekly Update
We see the need of a WP4 + WP7 workshop on the Secondary Toolchain. The following doodle helps to find the most convenient slot: <http://www.doodle.com/p99mq377tv7zx67g>
- Daily Standup
We started with daily scrum meetings for V&V 1st Level verification. Invitation is visible in the openETCS calendar. Wednesday's 10:00 is the slot for the sprint planning and sprint review meeting.
The meeting cover's both Safety and Verification activities.
